

Battlefield High School Band Support Organization
PO Box 267 Haymarket, VA 20168

April 10, 2019

The Battlefield High School Marching Band program needs your support. We are looking to raise \$50,000 to support our future entry to the national competition stage by attending the Bands of America Grand Nationals in Indianapolis, IN. In addition, our equipment and instrumentation are in much need of refurbishment and replacement as they were purchased when the school opened over fifteen years ago. The marching band plays at all the home football games and select away games; competes in Virginia Band and Orchestra Association, Bands of America, and other local competitions; marches in local parades; and we would be proud to represent our Haymarket/Gainesville community at Bands of America, recognized as the most prestigious competition for high school marching bands. We are supported by the BHS administration, but much of our funding is the responsibility of the Band Support Organization, a 501(c)(3) non-profit entity (Tax ID# 20-1725257).

Here are some of our immediate needs:

- Funding for fees and transportation for competitions
- A trailer or truck donation that we can use to transport instruments, props, and electronic equipment safely
- Funding to purchase new instruments and repair existing instruments, uniforms for color guard members, and more
- Water/snack/meal donations for football game and competition days
- Gift cards to assist with travel expenses and other expenses to support our students

As a community business, you have the opportunity to join the Battlefield High School Marching Band as we work together to provide funds needed to fully support our program and its talented students. It is our goal to make an impact in our community, in Virginia, and across the nation.

As a business sponsor, you will be recognized according to the sponsorship level you choose. Your donation (financial, product based, or service oriented) is completely tax deductible. We appreciate your consideration of partnering with the BHS Marching Bobcats for the 2019-2020 school year.

Thank you!
