Mr. Matt Brodt
Band Director
Battlefield High School

Dear Matt: *and marching Band Members -*

I read a recent article in the "Potomac News" about the many awards Battlefield High School band has received since the school first opened. I enjoyed reading the article and am impressed with the many awards won by a school that is only five years old. Please pass on to the band members my appreciation for their hard work and dedication.

Thank you for everything you do on behalf of our students and their success.

Sincerely,

Steven L. Walts
Superintendent of Schools

I recall meeting you during my first year in Prince William County Schools. You and your students have demonstrated year-over-year consistent excellence. Congrats to your drum major and assistant as well. As the former drum major of the National Champion drum and bugle corps, The Argonne Rebels in 1971 and 1972, I know what it takes!

DR. STEVEN L. WALTS
Superintendent of Schools

Congratulations to all!
